May 13, 2021

Good Afternoon Parents and Guardians,

The Ugpi'ganjig Health Center in collaboration with Public Health, is pleased to announce that the Pfizer Covid Vaccine is now approved for youth from ages 12-15.

We will be offering the Pfizer vaccine to all Eel River Bar Band Members (living on/off), and ERB community members that are 12 to 15 years of age.

Our vaccination clinic for this age group will be held in community at the Ugpi'ganjig Health Center on June 1<sup>st</sup>, 2021.

Our clinic will run from 0930 AM to 1200 PM. By Appointment Only.

Parental Consent is required. Consents will be distributed to parents early next week, or a consent can be picked up at the Health Center. **If you did not receive a consent please call us at 506-684-5002.**

If you have any questions regarding the Covid-19 Vaccine, or need help to fill out consent, please give us a call. We are here to help.

**Consent forms must be filled and signed by parents and or legal guardian.**
