Post-Secondary Education Requirements

POST SECONDARY STUDENTS: When applying for the student incentive the Department asks that student to provide **proof of enrollment**.

Please provide myself The Education Department Assistant (Shylah Tait) with a **class schedule for each term**, (Fall, Winter, Spring) and a **letter/email of acceptance** that is provided by your institution.

Any student who applies for the incentive after the semester is complete will not receive a retro. It is the student's responsibility to apply during the appropriate times.

Students are required to send their grades at the end of **each term failure to do so will result in a temporary halt of funding**

Thank you/Wela'lin for your cooperation, and best of luck during your studies.
